

PRODUCT DATA SHEET B4P PLUG HOLDER

Features:

- Secures and protects
- Easy side or top mount
- Suits most 7 Pin flat plugs

Description:

Whitevision's B4PH is a robust trailer plug holder that securely fits 7-pin flat plastic trailer plugs on the trailer when they are not in use. Designed with multiple mounting points, this holder can be easily fitted to almost any trailer. Great for keeping trailer plugs fit and healthy. Available now in retail blister packs.
