

## PRODUCT DATA SHEET CRL20 SERIES - LOW PROFILE LED TRAILER LAMPS

### Features:

- Highly aesthetic lens design
- Low profile dimensions to suit multiple applications
- Ideal for quality, fast lighting installation on trailers
- Licence plate options
- Integrated reflex reflector
- ADR compliant

### Description:

Whitevision's all new CRL20 Series is the next advancement in automotive LED lighting technology. Incorporating stop / tail / indicator / lic plate and reflector functions for an all in one package. This modern design with unique Whitevision lens pattern, produces a high quality finish for rear lighting requirements. The low profile body makes this lamp a perfect fit for many OE and retro-fit applications.
