**WITH
RETAIL READY
DISPLAY PACKS**

Features:

- Full function LED combination lamp
- Highly styled optical design
- All in one solution for rear lighting
- Heavy duty Smart Clip™ base
- Fully ADR compliant

Description:

The CRL280 series is the next generation in multifunction rear combination signal lamps.

Delivering highly styled optics and unique lens design, this series provides a fully compliant rear lighting solution for stop, rear position, direction indicator, reverse and reflector functions.

Constructed with a polycarbonate lens and heavy duty smart clip base with multiple mounting points, the CRL280 series is designed for high reliability and performance. Suited to OEM and commercial vehicle applications.
