RETAIL READY
DISPLAY PACKS**

Features:

- All in one solution for rear lighting
- Highly styled, modern design
- Sequential indicator
- Heavy duty Smart Clip™ base
- Fully ADR compliant

Description:

The new CRL285 series is the next generation in multifunction rear combination signal lamps. Delivering highly styled optics and unique lens design, this series provides a fully compliant rear lighting solution for stop, diffused rear position, sequential indicator, reverse and reflector functions. Constructed with a polycarbonate lens and heavy duty smart clip base with multiple mounting points, the CRL285 series is designed for high reliability and performance. Suited to OEM and commercial vehicle applications.
