

PRODUCT DATA SHEET

Chrome Round LED Interior Light

Features:

- Flush mount
- Low profile perfect for ceiling interior of RV / Caravans
- High lumen output for diameter
- Crisp neutral white output

Description:

Whitevision's IL series LED interior lights provides a low profile high output crisp illumination for compact interior spaces. The fast-fitting surface mount design makes installing simple and easy. The snap-on flush fit bezel covers and optional off / on switch of these interior lamps make them look fantastic on any surface. The IL series is the perfect addition or retrofit to vehicle, caravan or RV ceiling interiors where brightness and quality of light is required.
