

## PRODUCT DATA SHEET 256 & 506MM AWNING LIGHTS

### Features:

- Compact
- Versatile
- Durable

### Description:

The LAW256 and LAW506 series are compact and versatile LED awning lamps for exterior installations. With a strong and sturdy durable ABS housing, these surface-mounted lights are sized to allow for flexibility in a variety of applications including harsh environments. With up to 1000lm output and 10-28V, no matter if you have an emergency vehicle, a 4x4, caravan, or an RV, these awnings are perfect for convenient high-mounted scene lighting.
