

PRODUCT DATA SHEET NPL3 LICENCE PLATE LAMP SERIES

Features:

- Innovative design
- Wide angle optics
- Quick and easy mounting
- Ideal for most applications
- Fully ADR compliant

Description:

The NPL3LED licence plate lamp is an innovative design which is suitable for many applications. The lamp incorporates a wide angle optic lens to ensure optimum licence plate illumination. Ultra fast mounting is achieved by simple through hole screws. The lamp is rated to IP67 and includes a generous cable length making it suited to most applications for licence plate illumination requirements.
