

PRODUCT DATA SHEET RL90 REAR SINGLE LAMP SERIES

**WITH
RETAIL READY
DISPLAY PACKS**

Features:

- Heavy duty LED signal lamp
- Rubber mount for high reliability
- Free form optic design
- Retrofits similar style lamps
- Fully ADR compliant

Description:

The RL90 series is a robust LED signal lamp designed specifically for heavy duty applications where high reliability is required. Featuring free form optics and styled lens design the RL90LED series is installed via rubber mounting insert for maximum protection against constant vibration environments. ADR compliant for stop, rear position, direction indicator and reverse, these lamps are suitable for direct replacement or older style lamps of the same style. Suited to OEM and commercial vehicle applications.
