

PRODUCT DATA SHEET WR60 REFLECTOR SERIES

Features:

- High grade optic prisms
- High impact lens
- Screw mount base
- Fully ADR compliant

Description:

WR60 Series reflex reflectors are constructed from high quality optic prisms resulting in a highly reflective lens for maximum compliance and safety. The W60 is a mid sized round reflector that is fully compliant for front, side and rear applications where added visibility is required. These units feature a high impact PMMA lens assembly with a screw mounting for easy and secure fitting
