

## NEW PRODUCT RELEASE

### SM60 SERIES LED MARKER LAMPS

**PEREI**  
L I G H T I N G

#### Description

SM60 Series LED lamps are a versatile heavy duty marker designed for performance and reliability. The SM60 series provides a complete styled marker solution for forward, side and rear marker / repeater functions and feature intelligent angled optics providing maximum safety and compliance while matching modern vehicle style.

The low profile and compact design allows for a wide range of fitting applications where space is limited. An innovative mounting system uses Smart Clip™ module and base design for secure fitting.

Suited to OE and commercial applications. Integrated superseal connector options also available.

#### Features & Benefits
